TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue

tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

- (a) You must give any other recipients of the Work or Derivative Works a copy of this License; and
- (b) You must cause any modified files to carry prominent notices stating that You changed the files; and
- (c) You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and
- (d) If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall

supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

END OF TERMS AND CONDITIONS

APPENDIX: How to apply the Apache License to your work.

To apply the Apache License to your work, attach the following boilerplate notice, with the fields enclosed by brackets "[]" replaced with your own identifying information. (Don't include the brackets!) The text should be enclosed in the appropriate comment syntax for the file format. We also recommend that a file or class name and description of purpose be included on the same "printed page" as the copyright notice for easier identification within third-party archives.

- * Redistributions in binary form (compiled executables and libraries) must reproduce the above copyright notice, definition, disclaimer, and this list of conditions in documentation and/or other materials provided with the distribution. Additional documentation is not needed for executables where a command line license option provides these and a note regarding this option is in the executable's startup banner. The sole exception to this condition is redistribution of a standard UnZipSFX binary (including SFXWiz) as part of a self-extracting archive; that is permitted without inclusion of this license, as long as the normal SFX banner has not been removed from the binary or disabled.
- * Altered versions--including, but not limited to, ports to new operating systems, existing ports with new graphical interfaces, versions with modified or added functionality, and dynamic, shared, or static library versions not from Info-ZIP--must be plainly marked as such and must not be misrepresented as being the original source or, if binaries, compiled from the original source. Such altered versions also must not be misrepresented as being Info-ZIP releases--including, but not limited to, labeling of the altered versions with the names "Info-ZIP" (or any variation thereof, including, but not limited to, different capitalizations), "Pocket UnZip," "WiZ" or "MacZip" without the explicit permission of Info-ZIP. Such altered versions are further prohibited from misrepresentative use of the Zip-Bugs or Info-ZIP e-mail addresses or the Info-ZIP URL(s), such as to imply Info-ZIP will provide support for the altered versions.
- * Info-ZIP retains the right to use the names "Info-ZIP," "Zip," "UnZip," "UnZipSFX," "WiZ," "Pocket UnZip," "Pocket Zip," and "MacZip" for its own source and binary releases.

Lesser General Public License 3.0 (LGPL)

GNU LESSER GENERAL PUBLIC LICENSE
Version 3, 29 June 2007

Copyright © 2007 Free Software Foundation, Inc.

Everyone is permitted to copy and distribute verbatim copies of this license document, but changing it is not allowed.

This version of the GNU Lesser General Public License incorporates the terms and conditions of version 3 of the GNU General Public License, supplemented by the additional permissions listed below.

0. Additional Definitions.

As used herein, “this License” refers to version 3 of the GNU Lesser General Public License, and the “GNU GPL” refers to version 3 of the GNU General Public License.

“The Library” refers to a covered work governed by this License, other than an Application or a Combined Work as defined below.

An “Application” is any work that makes use of an interface provided by the Library, but which is not otherwise based on the Library. Defining a subclass of a class defined by the Library is deemed a mode of using an interface provided by the Library.

A “Combined Work” is a work produced by combining or linking an Application with the Library. The particular version of the Library with which the Combined Work was made is also called the “Linked Version”.

The “Minimal Corresponding Source” for a Combined Work means the Corresponding Source for the Combined Work, excluding any source code for portions of the Combined Work that, considered in isolation, are based on the Application, and not on the Linked Version.

The “Corresponding Application Code” for a Combined Work means the object code and/or source code for the Application, including any data and utility programs needed for reproducing the Combined Work from the Application, but excluding the System Libraries of the Combined Work.

1. Exception to Section 3 of the GNU GPL.

You may convey a covered work under sections 3 and 4 of this License without being bound by section 3 of the GNU GPL.

2. Conveying Modified Versions.

If you modify a copy of the Library, and, in your modifications, a facility refers to a function or data to be supplied by an Application that uses the facility (other than as an argument passed when the facility is invoked), then you may convey a copy of the modified version:

- a) under this License, provided that you make a good faith effort to ensure that, in the event an Application does not supply the function or data, the facility still operates, and performs whatever part of its purpose remains meaningful, or
- b) under the GNU GPL, with none of the additional permissions of this License applicable to that copy.

3. Object Code Incorporating Material from Library Header Files.

The object code form of an Application may incorporate material from a header file that is part of the Library. You may convey such object code under terms of your choice, provided that, if the incorporated material is not limited to numerical parameters, data structure layouts and accessors, or small macros, inline functions and templates (ten or fewer lines in length), you do both of the following:

- a) Give prominent notice with each copy of the object code that the Library is used in it and that the Library and its use are covered by this License.
 - b) Accompany the object code with a copy of the GNU GPL and this license document.
4. Combined Works.

You may convey a Combined Work under terms of your choice that, taken together, effectively do not restrict modification of the portions of the Library contained in the Combined Work and reverse engineering for debugging such modifications, if you also do each of the following:

- a) Give prominent notice with each copy of the Combined Work that the Library is used in it and that the Library and its use are covered by this License.
 - b) Accompany the Combined Work with a copy of the GNU GPL and this license document.
 - c) For a Combined Work that displays copyright notices during execution, include the copyright notice for the Library among these notices, as well as a reference directing the user to the copies of the GNU GPL and this license document.
 - d) Do one of the following:
 - 0) Convey the Minimal Corresponding Source under the terms of this License, and the Corresponding Application Code in a form suitable for, and under terms that permit, the user to recombine or relink the Application with a modified version of the Linked Version to produce a modified Combined Work, in the manner specified by section 6 of the GNU GPL for conveying Corresponding Source.
 - 1) Use a suitable shared library mechanism for linking with the Library. A suitable mechanism is one that (a) uses at run time a copy of the Library already present on the user's computer system, and (b) will operate properly with a modified version of the Library that is interface-compatible with the Linked Version.
 - e) Provide Installation Information, but only if you would otherwise be required to provide such information under section 6 of the GNU GPL, and only to the extent that such information is necessary to install and execute a modified version of the Combined Work produced by recombining or relinking the Application with a modified version of the Linked Version. (If you use option 4d0, the Installation Information must accompany the Minimal Corresponding Source and Corresponding Application Code. If you use option 4d1, you must provide the Installation Information in the manner specified by section 6 of the GNU GPL for conveying Corresponding Source.)
5. Combined Libraries.

You may place library facilities that are a work based on the Library side by side in a single library together with other library facilities that are not Applications and are not covered by this License, and convey such a combined library under terms of your choice, if you do both of the following:

- a) Accompany the combined library with a copy of the same work based on the Library, uncombined with any other library facilities, conveyed under the terms of this License.
 - b) Give prominent notice with the combined library that part of it is a work based on the Library, and explaining where to find the accompanying uncombined form of the same work.
6. Revised Versions of the GNU Lesser General Public License.

The Free Software Foundation may publish revised and/or new versions of the GNU Lesser General Public License from time to time. Such new versions will be similar in spirit to the present version, but may differ in detail to address new problems or concerns.

Each version is given a distinguishing version number. If the Library as you received it specifies that a certain numbered version of the GNU Lesser General Public License “or any later version” applies to it, you have the option of following the terms and conditions either of that published version or of any later version published by the Free Software Foundation. If the Library as you received it does not specify a

version number of the GNU Lesser General Public License, you may choose any version of the GNU Lesser General Public License ever published by the Free Software Foundation.

If the Library as you received it specifies that a proxy can decide whether future versions of the GNU Lesser General Public License shall apply, that proxy's public statement of acceptance of any version is permanent authorization for you to choose that version for the Library.

MICROSOFT SOFTWARE LICENSE TERMS

MICROSOFT .NET LIBRARY

These license terms are an agreement between you and Microsoft Corporation (or based on where you live, one of its affiliates). They apply to the software named above. The terms also apply to any Microsoft services or updates for the software, except to the extent those have different terms.

IF YOU COMPLY WITH THESE LICENSE TERMS, YOU HAVE THE RIGHTS BELOW.

1. INSTALLATION AND USE RIGHTS.

You may install and use any number of copies of the software to develop and test your applications.

2. THIRD PARTY COMPONENTS. The software may include third party components with separate legal notices or governed by other agreements, as may be described in the ThirdPartyNotices file(s) accompanying the software.

3. ADDITIONAL LICENSING REQUIREMENTS AND/OR USE

RIGHTS.

a. DISTRIBUTABLE CODE. The software is comprised of Distributable Code. "Distributable Code" is code that you are permitted to distribute in applications you develop if you comply with the terms below.

i. Right to Use and Distribute.

· You may copy and distribute the object code form of the software.

· Third Party Distribution. You may permit distributors of your

applications to copy and distribute the Distributable Code as part of those applications.

ii. Distribution Requirements. For any Distributable Code you distribute,

you must

· use the Distributable Code in your applications and not as a standalone

distribution;

· require distributors and external end users to agree to terms that

protect it at least as much as this agreement; and

- indemnify, defend, and hold harmless Microsoft from any claims, including attorneys' fees, related to the distribution or use of your applications, except to the extent that any claim is based solely on the unmodified Distributable Code.

iii. Distribution Restrictions. You may not

- use Microsoft's trademarks in your applications' names or in a way that suggests your applications come from or are endorsed by Microsoft; or

- modify or distribute the source code of any Distributable Code so that any part of it becomes subject to an Excluded License. An "Excluded License" is one that requires, as a condition of use, modification or distribution of code, that (i) it be disclosed or distributed in source code form; or (ii) others have the right to modify it.

4. DATA.

a. Data Collection. The software may collect information about you and your use of the software, and send that to Microsoft. Microsoft may use this information to provide services and improve our products and services. You may opt-out of many of these scenarios, but not all, as described in the software documentation. There are also some features in the software that may enable you and Microsoft to collect data from users of your applications. If you use these features, you must comply with applicable law, including providing appropriate notices to users of your applications together with Microsoft's privacy statement. Our privacy statement is located at <https://go.microsoft.com/fwlink/?LinkID=824704>. You can learn more about data collection and its use from the software documentation and our privacy statement. Your use of the software operates as your consent to these practices.

b. Processing of Personal Data. To the extent Microsoft is a processor or subprocessor of personal data in connection with the software, Microsoft makes the commitments in the European Union General Data Protection Regulation Terms of the Online Services Terms to all customers effective May 25, 2018, at <https://docs.microsoft.com/en-us/legal/gdpr>.

5. SCOPE OF LICENSE. The software is licensed, not sold. This agreement only gives you some rights to use the software. Microsoft reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways. You may not

- work around any technical limitations in the software;
- reverse engineer, decompile or disassemble the software, or otherwise attempt to derive the source code for the software, except and to the extent required by third party licensing terms governing use of certain open source components that may be included in the software;
- remove, minimize, block or modify any notices of Microsoft or its suppliers in the software;
- use the software in any way that is against the law; or
- share, publish, rent or lease the software, provide the software as a stand-alone offering for others to use, or transfer the software or this agreement to any third party.

6. EXPORT RESTRICTIONS. You must comply with all domestic and international export laws and regulations that apply to the software, which include restrictions on destinations, end users, and end use. For further information on export restrictions, visit www.microsoft.com/exporting.

7. SUPPORT SERVICES. Because this software is "as is," we may not provide support services for it.

8. ENTIRE AGREEMENT. This agreement, and the terms for supplements, updates, Internet-based services and support services that you use, are the entire agreement for the software and support services.

9. **APPLICABLE LAW.** If you acquired the software in the United States, Washington law applies to interpretation of and claims for breach of this agreement, and the laws of the state where you live apply to all other claims. If you acquired the software in any other country, its laws apply.

10. **CONSUMER RIGHTS; REGIONAL VARIATIONS.** This agreement describes certain legal rights. You may have other rights, including consumer rights, under the laws of your state or country. Separate and apart from your relationship with Microsoft, you may also have rights with respect to the party from which you acquired the software. This agreement does not change those other rights if the laws of your state or country do not permit it to do so. For example, if you acquired the software in one of the below regions, or mandatory country law applies, then the following provisions apply to you:

a) **Australia.** You have statutory guarantees under the Australian Consumer Law and nothing in this agreement is intended to affect those rights.

b) **Canada.** If you acquired this software in Canada, you may stop receiving updates by turning off the automatic update feature, disconnecting your device from the Internet (if and when you re-connect to the Internet, however, the software will resume checking for and installing updates), or uninstalling the software. The product documentation, if any, may also specify how to turn off updates for your specific device or software.

c) **Germany and Austria.**

(i) **Warranty.** The software will perform substantially as described in any Microsoft materials that accompany it. However, Microsoft gives no contractual guarantee in relation to the software.

(ii) **Limitation of Liability.** In case of intentional conduct, gross negligence, claims based on the Product Liability Act, as well as in case of death or personal or physical injury, Microsoft is liable according to the statutory law.

Subject to the foregoing clause (ii), Microsoft will only be liable for slight negligence if Microsoft is in breach of such material contractual obligations, the fulfillment of which facilitate the due performance of this agreement, the breach of which would endanger the purpose of this agreement and the compliance with which a party may constantly trust in (so-called "cardinal obligations"). In other cases of slight negligence, Microsoft will not be liable for slight negligence

11. **DISCLAIMER OF WARRANTY. THE SOFTWARE IS LICENSED "AS-IS." YOU BEAR THE RISK OF USING IT. MICROSOFT GIVES NO EXPRESS WARRANTIES, GUARANTEES OR CONDITIONS. TO THE EXTENT PERMITTED UNDER YOUR LOCAL LAWS, MICROSOFT EXCLUDES THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.**

12. **LIMITATION ON AND EXCLUSION OF REMEDIES AND DAMAGES. YOU CAN RECOVER FROM MICROSOFT AND ITS SUPPLIERS ONLY DIRECT DAMAGES UP TO U.S. \$5.00. YOU CANNOT RECOVER ANY OTHER DAMAGES, INCLUDING CONSEQUENTIAL, LOST PROFITS, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES.**

This limitation applies to (a) anything related to the software, services, content (including code) on third party Internet sites, or third party applications; and (b) claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if Microsoft knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your state or country may not allow the exclusion or limitation of incidental, consequential or other damages.

The following feature uses Internet protocols, which send to the appropriate systems computer information, such as your Internet protocol address, the type of operating system, browser and name and version of the software you are using, and the language code of the device where you installed the software. Microsoft or a third-party service provider uses this information to make the Internet-based service available to you.

A. Open Data Protocol (OData) Service. This software will access a list of packages that is supplied by means of an OData service online from Microsoft or a third-party service provider.

By using this package manager feature, you acknowledge and agree that you may be accessing and using the third-party packages as distributed by such third parties and under the separate license terms applicable to each package, including any terms applicable to software dependencies that may be included in the package. You acknowledge and agree that it is your responsibility to locate, understand and comply with all applicable license terms for each package and its dependencies, for example, by following the package source (feed) URL or by reviewing the packages for embedded notices or license terms. The package manager feature may have been pre-set to a feed that is hosted by Microsoft or a third party service provider, located at go.microsoft.com/fwlink/?LinkID=206669. The packages listed on this feed may include packages submitted by third parties. Microsoft makes no representations, warranties or guarantees as to the feed URL, any feeds from such URL, the information contained therein, or any packages referenced in or accessed by you through such feeds. Microsoft grants you no license rights for third-party software that is obtained using this feature or from the feed. You may change the feed URL that the package manager feature initially points to at any time at your discretion.

5. **THIRD PARTY NOTICES.** The package manager feature of the software includes third party code. Those packages are offered and distributed in some cases by third parties or in some cases by Microsoft, but each such package is under its own license terms. Microsoft is not developing, distributing or licensing any of the third-party packages to you, but instead, as a convenience, is providing you with this package manager feature in order to access any packages for your own use. By using this package manager feature, you acknowledge and agree that you may be accessing and using the third-party packages as distributed by such third parties and under the separate license terms applicable to each package, including any terms applicable to software dependencies that may be included in the package. You acknowledge and agree that it is your responsibility to locate, understand and comply with all applicable license terms for each package and its dependencies, for example, by following the package source (feed) URL or by reviewing the packages for embedded notices or license terms. The package manager feature may have been pre-set to a feed that is hosted by Microsoft or a third party service provider, located at go.microsoft.com/fwlink/?LinkID=206669. The packages listed on this feed may include packages submitted by third parties. Microsoft makes no representations, warranties or guarantees as to the feed URL, any feeds from such URL, the information contained therein, or any packages referenced in or accessed by you through such feeds. You may change the feed URL that the package manager feature initially points to at any time at your discretion.

- * anything related to the software, services, content (including code) on third party Internet sites, or third party programs; and
- * claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if Microsoft knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages.

MICROSOFT SQL SERVER DATA TOOLS LICENSE

MICROSOFT SOFTWARE LICENSE TERMS MICROSOFT SQL SERVER DATA TOOLS

MICROSOFT SQL SERVER DATA TOOLS These license terms are an agreement between Microsoft Corporation (or based on where you live, one of its affiliates) and you. Please read them. They apply to the software named above, which includes the media on which you received it, if any. The terms also apply to any Microsoft updates, supplements, Internet-based services, and support services for this software, unless other terms accompany those items. If so, those terms apply. **BY USING THE SOFTWARE, YOU ACCEPT THESE TERMS. YOU MAY CHOOSE NOT TO ACCEPT THESE TERMS, IN WHICH CASE YOU MAY NOT USE THE SOFTWARE (IF YOU HAVE NOT ALREADY INSTALLED IT) OR WITHDRAW YOUR ACCEPTANCE ANY TIME BY UNINSTALLING THE SOFTWARE.** If you comply with these license terms, you have the rights below.

1. **INSTALLATION AND USE RIGHTS.** a. **Installation and Use.** You may install and use any number of copies of the software on your devices to design, develop and test your programs. b. **Other Microsoft Programs.** The software includes other Microsoft SQL Server technologies, Microsoft Visual Studio 2015 Shell (Isolated) Redistributable Package, Microsoft Visual Studio 2015 Shell (Integrated) Redistributable Package, Microsoft Visual Studio Tools for Applications 2015, .NET Framework, Visual C++ Redistributable for Visual Studio 2015, and Microsoft Report Viewer 2016 Runtime in conjunction with the software licensed here. These components are governed by separate agreements and their own product support policies, as described in the license terms found in the installation directory for that component or in the "Licenses" folder accompanying the software. 2. **ADDITIONAL LICENSING REQUIREMENTS AND/OR USE RIGHTS.** a. **Distributable Code.** i. **Right to Use and Distribute.** If you comply with the terms below: You may copy and distribute the object code form of the Microsoft SQL Server Data-Tier Application Framework ("Distributable Code") in programs you develop; and You may permit distributors of your programs to copy and distribute the Distributable Code as part of those programs. ii. **Distribution Requirements.** For any Distributable Code you distribute, you must add significant primary functionality to it in your programs; for any Distributable Code having a filename extension of .lib, distribute only the results of running such Distributable Code through a linker with your program; distribute Distributable Code included in a setup program only as part of that setup program without modification; require distributors and external end users to agree to the Microsoft license terms included as part of our software setup program; display your valid copyright notice on your programs; and indemnify, defend, and hold harmless Microsoft from any claims, including attorneys' fees, related to the distribution or use of your programs. iii. **Distribution Restrictions.** You may not alter any copyright, trademark or patent notice in the Distributable Code; use Microsoft's trademarks in your programs' names or in a way that suggests your programs come from or are endorsed by Microsoft; distribute Distributable Code to run on a platform other than the Windows platform; include Distributable Code in malicious, deceptive or unlawful programs; or modify or distribute the source code of any Distributable Code so that any part of it becomes subject to an Excluded License. An Excluded License is one that requires, as a condition of use, modification or distribution, that the code be disclosed or distributed in source code form; or others have the right to modify it. 3. **INTERNET-BASED SERVICES.** Microsoft provides Internet-based services with the software. It may change or cancel them at any time. You may not use these devices in any way that could harm them or impair anyone else's use of them. You may not use the services to try to gain unauthorized access to any service, data, account or network by any means. a. **SQL Server Reporting Services Map Report Item.** The software may include features that retrieve content such as maps, images and other data through the Bing Maps (or successor branded) application programming

interface (the "Bing Maps APIs"). The purpose of these features is to create reports displaying data on top of maps, aerial and hybrid imagery. If these features are included, you may use them to create and view dynamic or static documents. This may be done only in conjunction with and through methods and means of access integrated in the software. You may not otherwise copy, store, archive, or create a database of the content available through the Bing Maps APIs. You may not use the following for any purpose even if they are available through the Bing Maps APIs: Bing Maps APIs to provide sensor based guidance/routing, or any Road Traffic Data or Bird's Eye Imagery (or associated metadata). Your use of Bing Maps is also governed by the Bing Maps End User Terms of Use available at <https://go.microsoft.com/?linkid=9710837> and the Bing Maps Privacy Statement available at <https://go.microsoft.com/fwlink/?LinkID=248686>.

b. This software is designed to allow users of SQL Server Integration Services (SSIS) to (a) move data between on-premises data-stores and Microsoft online services and (b) trigger certain actions in Microsoft online services. In order to do this, the software uses Internet Protocols to (i) send data, including your own data as designated by you and data about the software's configuration, to these services, and (ii) request data, including your own data as designated by you and data about the nature and configuration of your Microsoft online services, from these services. Once you configure the software to communicate with these services, you may not receive separate notices when the software connects to these services.

4. FEEDBACK. If you give feedback about the software to Microsoft, you give to Microsoft, without charge, the right to use, share and commercialize your feedback in any way and for any purpose. You also give to third parties, without charge, any patent rights needed for their products, technologies and services to use or interface with any specific parts of a Microsoft software or service that includes the feedback. You will not give feedback that is subject to a license that requires Microsoft to license its software or documentation to third parties because we include your feedback in them. These rights survive this agreement.

5. THIRD PARTY NOTICES. The software may include third party components with separate legal notices or governed by other agreements, as may be described in the ThirdPartyNotices file accompanying the software. Even if such components are governed by other agreements, the disclaimers and the limitations on and exclusions of damages below also apply.

6. .NET FRAMEWORK SOFTWARE. The software contains Microsoft .NET Framework software. This software is part of Windows. The license terms for Windows apply to your use of the .NET Framework software.

7. SCOPE OF LICENSE. The software is licensed, not sold. This agreement only gives you some rights to use the software. Microsoft reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways. You may not disclose the results of any benchmark tests of the software, other than the Microsoft .NET Framework (see separate term above), to any third party without Microsoft's prior written approval; work around any technical limitations in the software; reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation; make more copies of the software than specified in this agreement or allowed by applicable law, despite this limitation; publish the software for others to copy; rent, lease or lend the software; transfer the software or this agreement to any third party; or use the software for commercial software hosting services.

8. EXPORT RESTRICTIONS. The software is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use. For additional information, see www.microsoft.com/exporting.

9. UPDATES. The software may install automatic updates, which cannot be turned off. By using the software, you agree to receive automatic updates without any additional notice, and permit Microsoft to download and install them for you. You agree to obtain these updates only from Microsoft or Microsoft authorized sources. If you do not want software updates, disconnect your device from the internet or uninstall the software.

10. SUPPORT SERVICES. Because this software is "as is," we may not provide support services for it.

11. ENTIRE AGREEMENT. This agreement, and the terms for supplements, updates, Internet-based services and support services that you use, are the entire agreement for the software and support services.

12. APPLICABLE LAW. a. United States. If you acquired the software in the United States, Washington state law governs the interpretation of this agreement and applies to claims for breach of it, regardless of conflict of laws principles. The laws of the state where you live govern all other claims, including claims under state consumer protection laws, unfair competition laws, and in tort. b. Outside the United States. If you acquired the software in any other country, the laws of that country apply.

13. LEGAL EFFECT. This agreement describes certain legal rights. You may have

other rights under the laws of your country. You may also have rights with respect to the party from whom you acquired the software. This agreement does not change your rights under the laws of your country if the laws of your country do not permit it to do so. 14. **DISCLAIMER OF WARRANTY.** The software is licensed "as-is." You bear the risk of using it. Microsoft gives no express warranties, guarantees or conditions. You may have additional consumer rights or statutory guarantees under your local laws which this agreement cannot change. To the extent permitted under your local laws, Microsoft excludes the implied warranties of merchantability, fitness for a particular purpose and non-infringement. **FOR AUSTRALIA -** You have statutory guarantees under the Australian Consumer Law and nothing in these terms is intended to affect those rights. 15. **LIMITATION ON AND EXCLUSION OF REMEDIES AND DAMAGES.** You can recover from Microsoft and its suppliers only direct damages up to U.S. \$5.00. You cannot recover any other damages, including consequential, lost profits, special, indirect or incidental damages. This limitation applies to anything related to the software, services, content (including code) on third party Internet sites, or third party programs; and claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law. It also applies even if Microsoft knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages. Please note: As this software is distributed in Quebec, Canada, these license terms are provided below in French. Remarque : Ce logiciel étant distribué au Québec, Canada, certaines des clauses dans ce contrat sont fournies ci-dessous en français. **EXCLUSIONS DE GARANTIE.** Le logiciel est concédé sous licence « en l'état ». Vous assumez tous les risques liés à son utilisation. Microsoft n'accorde aucune garantie ou condition expresse. Vous pouvez bénéficier de droits des consommateurs supplémentaires dans le cadre du droit local, que ce contrat ne peut modifier. Lorsque cela est autorisé par le droit local, Microsoft exclut les garanties implicites de qualité, d'adéquation à un usage particulier et d'absence de contrefaçon. **LIMITATION ET EXCLUSION DE RECOURS ET DE DOMMAGES.** Vous pouvez obtenir de Microsoft et de ses fournisseurs une indemnisation en cas de dommages directs limitée uniquement à hauteur de 5,00 \$ US. Vous ne pouvez prétendre à aucune indemnisation pour les autres dommages, y compris les dommages spéciaux, indirects ou accessoires et pertes de bénéfices. Cette limitation concerne : toute affaire liée au logiciel, aux services ou au contenu (y compris le code) figurant sur des sites Internet tiers ou dans des programmes tiers et les réclamations au titre de violation de contrat ou de garantie, ou au titre de responsabilité stricte, de négligence ou d'une autre faute dans la limite autorisée par la loi en vigueur. Elle s'applique également même si Microsoft connaissait l'éventualité d'un tel dommage. La limitation ou exclusion ci-dessus peut également ne pas vous être applicable, car votre pays n'autorise pas l'exclusion ou la limitation de responsabilité pour les dommages indirects, accessoires ou de quelque nature que ce soit. **EFFET JURIDIQUE.** Le présent contrat décrit certains droits juridiques. Vous pourriez avoir d'autres droits prévus par les lois de votre pays. Le présent contrat ne modifie pas les droits que vous confèrent les lois de votre pays si celles-ci ne le permettent pas.

PKWare, Inc Master License Agreement Standard Version Self Executing Edition

PKWARE, INC. MASTER LICENSE AGREEMENT
(Standard Version- Self Executing Edition: Windows or DOS Desktop)
<http://legal.pkware.com/pdf/MasterLic-WinDOSSelf-20110907.pdf>

This License Agreement ("Agreement") is made by and between Licensor and Licensee, as defined below.

BY ACCESSING, USING, OR INSTALLING ALL OR ANY PART OF THE SOFTWARE, AS DEFINED BELOW, LICENSEE EXPRESSLY AGREES TO AND CONSENTS TO BE BOUND BY ALL OF THE TERMS OF THIS AGREEMENT, INCLUSIVE OF ALL SCHEDULES AND EXHIBITS HERETO. IF LICENSEE DOES NOT AGREE TO ANY PART OF THIS AGREEMENT AND DOES NOT WISH TO BE BOUND BY THIS AGREEMENT, LICENSEE MAY NOT ACCESS, USE OR INSTALL ALL OR ANY PART OF THE SOFTWARE.

This Agreement consists of Part 1 – Software License and General Terms, and Part 2 – Maintenance and Support Terms. This Agreement is the complete agreement regarding the subject matter hereof, and replaces any prior oral or written communications or agreements between Licensee and Licensor.

PART 1 - SOFTWARE LICENSE AND GENERAL TERMS

1. DEFINITIONS

"Authorized Number" means the number of computers, as set forth on the Order, on which Licensee may install a copy of the Software concurrently.

"Documentation" means all written and electronic information generally made available by Licensor to its customers relating to the operation and functionality of the Software, including user manuals, installation guides, and any "read me" or "help" files.

"Effective Date" means the date upon which this Agreement becomes effective as identified in the portion of the Order applicable to the Software.

"Licensee" means the entity licensing the Software as identified in the Order. The term Licensee shall include any subsidiary, affiliate or other entity which (i) Licensee consolidates into its audited financial statements; and (ii) is at least fifty percent (50%) owned by Licensee (an "Affiliate"), provided that: (a) Licensee shall not include any Affiliate which competes with Licensor, and (b) Licensee shall remain responsible for compliance with this Agreement by each such Affiliate.

"Licensor" means PKWARE, INC.

"Order" means: either (a) a valid purchase order accepted by Licensor; (b) Licensor's valid quote accepted in writing by Licensee; (c) an attachment to this Agreement issued by Licensor listing the Authorized Number; or (d) a receipt for purchases from Licensor authorized online stores. The terms of this Agreement and the Order shall govern except to the extent expressly set forth to the contrary in any subsequent written agreement executed by both Licensor and Licensee. Any language or terms contained on a Purchase Order or other document from Licensee contrary or in addition to the terms of the Order or this Agreement shall be void and of no effect.

"Self-Extracting File(s)" means an executable file created using the Software which includes object code to uncompress and/or decrypt upon being opened. A Self-Extracting File may include ".exe" as the extension to its file name.

"Software" means the object code version of the software program(s) identified on the Order, and associated Documentation.

2. LICENSE

2.1 License Grant. In consideration of the applicable license fee, Licensor grants to Licensee a perpetual, non-transferable (except as permitted herein), non-exclusive, license to install and use the Software specified in the applicable Order only for its own internal business purposes unless otherwise mutually agreed by the parties in writing. This license extends solely to Licensee's installation and use of the Software on the Authorized Number of computers owned by or operated on behalf of Licensee. Licensee is solely responsible for the installation and configuration of the Software. Licensee may utilize remote access technologies (e.g. Citrix® Access Platform or Microsoft® Terminal Services) to access and use its licensed installations of the Software provided Licensee also purchases, at minimum, the same Authorized Number of licenses of the Software as Licensee owns seats for the remote access technologies. In the event Licensee installs the Software in a virtual operating environment, Licensee is required to purchase a Software license for each guest operating system which runs within a host based virtual machine environment or a hypervisor. In the event Licensee makes the Software available for use through application virtualization, Licensee is required to purchase a Software license for each user who can access the Software via such virtualization.

For the Software known as SecureZIP for DLP (Data Loss Prevention): A license is required for each Protected System with which the Software is used. "Protected System" means an operating system that stores or has access to files which are scanned by a third-party DLP product and allow for remediation by the Software.

2.2 Non-production Usage. Licensee is permitted, at no additional cost, to make a reasonable number of copies of the Software only for non-production archival or cold-backup purposes. Such copies may only be installed to minimize interruption and/or replace the production installation of the Software in the event such installation is damaged or destroyed due to disaster. Licensee will ensure that each copy, if contained on physical media, includes Licensor's copyright and other proprietary notices as they appear on the Software provided by Licensor. Licensee will pay all applicable license and maintenance fees to Licensor if it installs, as a course of its business, any non-production, disaster-recovery (aka "hot backup" or "failover") and/or test/development copies of the Software.

2.3 Restrictions on Use. Licensee acknowledges and agrees that the Software is copyrighted material proprietary to Licensor, and that Licensee may not, except as expressly provided in this Agreement or by law: (i) copy, modify, alter, translate, decompile, disassemble, reverse engineer, or create derivative works of the Software; (ii) remove, alter or cause not to be displayed any copyright notice or start-up message contained in the Software program(s); (iii) use the Software or any part thereof directly or indirectly to create a product competitive with any of Licensor's products; or (iv) display and/or allow access to the Software by any third party, except for Licensee's consultants, provided that such consultant-access is exclusively on behalf of Licensee's internal business and the consultant is bound in writing to comply with Licensee's restrictions and obligations herein; or (v) sell, loan, rent, lease, sublicense, give,

sublicense or otherwise transfer the Software or any copy or modification thereof, in whole or in part, to any person except as provided herein. Additionally, Licensee shall be fully responsible for the acts and omissions of any of its consultants with respect to the Software as if each were an employee of Licensee.

2.4 Restrictions on Distribution of Self-Extracting Files. Unless otherwise provided in an Order, Licensee may only use the Software to create Self-Extracting Files for Licensee's internal use and specifically may not sell, transfer, assign, license, or otherwise distribute to any third party any Self-Extracting File created through use of the Software where Licensee derives any compensation, in whatever form, or any commercial gain whatsoever. For the sake of clarity, nothing herein prevents Licensee from sending non-Self-Extracting Files (e.g. zipped files) to external recipients in the normal course of Licensee's business.

2.5 Acknowledgment and Reservation of Rights. Licensee acknowledges and agrees that Licensor and its licensors own all intellectual property and other proprietary rights in and to the Software and that all rights not expressly granted herein are reserved to Licensor.

2.6 Compliance. Upon written request by Licensor, Licensee shall submit to Licensor a statement of compliance confirming Licensee's compliance with its obligations under this Agreement.

2.7 Audit Right. Licensee shall maintain true, complete, and correct copies of books and records reflecting the location and use of each copy of the Software in Licensee's possession or control. On at least thirty (30) days prior written notice to Licensee, but no more frequently than once in any twelve

(12) month period, for any reason, Licensor at its expense and through its agents shall be entitled to audit such records and systems of Licensee as Licensor may reasonably request in order to determine Licensee's use of the Software pursuant to this Agreement.

3. FEES

3.1 Licensee shall pay license (and, to the extent applicable, maintenance) fees to Licensor in the amount and according to the terms set forth in the Order. Thereafter, maintenance fees shall be due annually on the anniversary of the start date of the Maintenance Term. Payment of any fees hereunder shall be made in a form acceptable to Licensor in U.S. dollars or in such other currency as may be acceptable to Licensor. All costs of payment (such as wire transfer fees) shall be the obligation of Licensee. Licensee is solely responsible for any and all taxes, duties, fees or other charges imposed on or associated with the transaction(s) contemplated in this Agreement.

3.2 All license and maintenance fees payable under this Agreement shall be due and payable on a net 30 days basis from date of invoice. The non-payment when due of any license fee set forth in the Order shall constitute a material breach of this Agreement. Any non-payment when due of any maintenance fee set forth in the Order shall constitute a material breach of the Maintenance and Support portion of this Agreement. Any sums not paid when due shall accrue interest at a rate of 1.5% per month or the maximum rate allowed by law, whichever is less, from the date first due. Licensee also shall be responsible for any and all costs of collection, including actual attorneys' fees, for any sums not paid when due.

4. TERM AND TERMINATION

4.1 Term. The term of this Agreement shall commence as of the Effective Date and continue in perpetuity unless otherwise provided in the Order or until terminated earlier as provided hereunder. If an Order provides for a particular term, the Agreement shall automatically renew after the end of the term provided in the Order for successive one (1) year renewal terms, provided that, prior to the commencement of a renewal term, Licensee pays Licensor such fees as Licensor and Licensee may agree. If the parties cannot reach agreement on such fees, the term shall not renew.

4.2 Termination by Licensee. Licensee may terminate this Agreement at any time, with or without cause, upon written notice to Licensor, provided Licensee is in compliance with all of its obligations hereunder. Except as expressly provided herein, Licensee shall not be entitled to any refund of any fees paid hereunder upon termination of this Agreement.

4.3 Termination by Licensor. Licensor may terminate this Agreement upon written notice of termination for breach to Licensee if Licensee materially breaches any term of this Agreement and fails to cure such material breach to Licensor's reasonable satisfaction within thirty (30) days of receipt of notice of intent to terminate for breach from Licensor. Notwithstanding the generality of the foregoing, if, in Licensor's reasonable judgment, Licensee's breach materially infringes or impairs Licensor's intellectual property or other proprietary rights in the Software, Licensor may terminate this Agreement immediately.

4.4 Actions on Termination, Cancellation, or Expiration. Upon termination of this Agreement with or without cause pursuant to Sections 4.2 and 4.3 above, its cancellation pursuant to Section 5.1 below, or its expiration in the case of a limited term license, all licenses granted herein shall immediately terminate. Upon either termination of this Agreement or expiration of a limited term license governed by this Agreement, Licensee shall immediately (a) discontinue any and all use of the Software, (b) uninstall and destroy any and all physical or electronic copies of the Software, and (c) deliver written certification, executed by an officer of Licensee, stating that Licensee has complied with this section, to Licensor within twenty (20) days of such termination, cancellation, or expiration. Except as expressly set forth in Section 5 below, under no circumstances shall Licensee be entitled to any refund or return of fees upon termination, cancellation, or expiration of this Agreement.

4.5 Surviving Rights. All provisions of this Agreement which by their nature are intended to survive the expiration or termination of this Agreement shall survive and remain in full force and effect, including but not limited to the restrictions and obligations set forth in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 3.1, 3.2, 4.2, 4.3, 4.4, 5.3, 5.5, 6 and 7 of Part 1 of this Agreement. In the event of the termination of Licensee's maintenance and support of a perpetual license for the Software and provided Licensee is not in breach of the Agreement, the terms of this Agreement shall remain in full force and effect except for Part 2 of this Agreement and any related maintenance and support terms.

5. LIMITED WARRANTY, DISCLAIMER OF WARRANTIES AND LIMITATION OF LIABILITY

5.1 Limited Money Back Software Warranty. Licensee shall have thirty (30) days from the Effective Date of the initial term of this Agreement (the "Warranty Period") to test the Software to its satisfaction. If Licensee is not fully satisfied with the Software, Licensee may, within the Warranty Period, return the Software to Licensor for a full refund of any license and maintenance fees actually received by Licensor from Licensee pursuant to this Agreement. Upon such return, this Agreement shall immediately terminate in accordance with the terms of Section 4.4 of this Agreement.

Licensor agrees to pass through to Licensee all warranties provided to Licensor by third parties relating to any third party software embedded in the Software or otherwise licensed or provided to Licensee by Licensor hereunder. Notwithstanding the foregoing, in the event Software contains any software code developed by third parties and licensed pursuant to either the GNU General Public License or the GNU Lesser General Public License such code is supplied without warranty of any kind.

5.2 Maintenance and Support Limited Warranty. Licensor warrants that the maintenance and support services provided hereunder shall be performed in a professional and workmanlike manner in accordance with the generally accepted industry standards.

5.3 DISCLAIMER OF WARRANTIES. LICENSEE IS SOLELY RESPONSIBLE FOR INSTALLATION AND CONFIGURATION OF THE SOFTWARE. THE WARRANTIES SET FORTH ABOVE ARE LICENSOR'S EXCLUSIVE WARRANTIES AND NO OTHER WARRANTIES OR REPRESENTATIONS ARE PROVIDED WITH RESPECT TO THE SOFTWARE, THE MAINTENANCE AND SUPPORT, OR OTHERWISE, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. LICENSOR DOES NOT WARRANT THAT THE SOFTWARE WILL BE FREE FROM PROGRAM ERRORS.

5.4 Legal Rights. The foregoing limited warranties give Licensee specific legal rights and Licensee may have other rights which vary from state to state and jurisdiction to jurisdiction. Some states and jurisdictions may not allow limits on how long an implied warranty lasts. In those cases, the above limits may not apply to Licensee.

5.5 LIMITATION OF LIABILITY. LICENSOR SHALL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR PUNITIVE DAMAGES, OR FOR ANY ECONOMIC OR OTHER CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR SAVINGS), EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME JURISDICTIONS DO NOT ALLOW EXCLUSION OR LIMITATION OF CONSEQUENTIAL OR INCIDENTAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO LICENSEE.

Licensor will not be liable for (a) loss of, or damage to, the records or data of Licensee or any other party, or (b) any damages claimed by Licensee based on any third party claim.

UNDER NO CIRCUMSTANCES SHALL LICENSOR'S TOTAL LIABILITY TO LICENSEE OR ANY OTHER PARTY WITH RESPECT TO THE SOFTWARE OR OTHERWISE RELATING TO THIS AGREEMENT OR THE SUBJECT MATTER HEREOF FOR DIRECT DAMAGES EXCEED THE GREATER OF U.S. \$100,000 OR THE TOTAL FEES PAID BY LICENSEE UNDER THE AGREEMENT DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING ANY CLAIM.

The limitations, exclusions and disclaimers set forth in this Section 5 shall apply to the maximum extent permitted by applicable law, even if any remedy fails of its essential purpose. Except to the degree such service is covered by maintenance, no obligation or liability shall arise from Licensor's rendering of technical or other advice or service in connection with this Agreement, including, without limitation, advice or service related to the installation or configuration of the Software.

6. CONFIDENTIALITY

"Confidential Information" means the Software and/or any information relating to or disclosed in the course of the Agreement, which is or should be reasonably understood to be confidential or proprietary to Licensor. Confidential Information shall not include information (a) already lawfully known to the Licensee, (b) disclosed in published materials without fault of Licensee, (c) generally known to the public without fault of the Licensee, (d) lawfully obtained from a third party not under any obligation to maintain the confidentiality of Licensor, (e) required by applicable law or regulations to be released, or (f) independently developed by Licensee, provided the person or persons developing the same have not had access to relevant proprietary information of Licensor. Licensee agrees that the Confidential Information of Licensor shall be held in strict confidence and shall not be used by or disclosed to third

parties without the prior written consent of Licensor. Notwithstanding anything to the contrary herein, the confidentiality obligations set forth in this Agreement shall survive the termination, cancellation, or expiration of this Agreement.

7. MISCELLANEOUS PROVISIONS

7.1 Severability. The provisions of this Agreement and the attached schedules are severable. If any provision of this Agreement or any schedule attached hereto is held to be invalid, illegal, or unenforceable, such provision is to that extent deemed omitted and not part of this Agreement. The validity, legality, or enforceability of the remaining provisions shall in no way be affected or impaired thereby and shall be valid and enforceable to the maximum extent permitted by law.

7.2 Assignment. This Agreement shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns. Notwithstanding the foregoing, Licensee shall not assign, sublicense, subcontract, or otherwise transfer this Agreement, the license granted hereunder, or any of its other rights or obligations under this Agreement or delegate any of its duties under this Agreement without the prior written consent of Licensor, which consent shall not be unreasonably withheld.

7.3 Governing Law and Forum Choice. This Agreement shall be construed as having been made in, and shall be governed in accordance with, the laws of the State of Wisconsin if Licensee acquires the Software in the United States, without regard to that state's choice of law rules or conflict of law provisions. Any legal action brought concerning this Agreement or any dispute arising from any act or omission arising from this Agreement shall be brought only in the courts of the State of Wisconsin in the County of Milwaukee or in the federal courts located in such state and county, and both parties agree to submit to the jurisdiction of these courts.

If Licensee acquires the Software outside of the United States, the laws of the country in which Licensee acquires the Software govern this Agreement, except (a) in Australia, the laws of the State or Territory in which the transaction is performed govern this Agreement; (b) in Albania, Armenia, Belarus, Bosnia/Herzegovina, Bulgaria, Croatia, Czech Republic, Georgia, Hungary, Kazakhstan, Kirghizia, Former Yugoslav Republic of Macedonia (FYROM), Moldova, Poland, Romania, Russia, Slovak Republic, Slovenia, Ukraine, and Federal Republic of Yugoslavia, the laws of Austria govern this Agreement; (c) in the United Kingdom, all disputes relating to this Agreement will be governed by English Law and will be submitted to the exclusive jurisdiction of the English courts; (d) in Canada, the laws in the Province of Ontario govern this Agreement; and (e) in Puerto Rico, and the People's Republic of China, the laws of the State of New York govern this Agreement.

7.4 Export Restrictions. Licensee agrees to comply with all applicable export laws and regulations.

7.5 US Government Restricted Rights. The Software is provided with RESTRICTED AND LIMITED RIGHTS. Use, duplication, or disclosure by the US Government or any of its agencies is subject to restrictions as set forth in FAR 52.227-14, Alternate III(g)(3), FAR 52.227-19(c), or DFARS 252.227-7013(c)(1)(ii), as applicable.

7.6 Entire Agreement. This Agreement, inclusive of the Schedules and Addenda, if any, attached hereto, constitutes the exclusive and entire agreement between the parties with respect to the subject matter hereof, and supersedes all prior agreements, negotiations, representations and proposals, written or oral, relating to the subject matter hereof between Licensor and Licensee.

7.7 Modification and Waiver. No modification of this Agreement or any Schedule or Addendum and no waiver of any breach of this Agreement shall be effective unless in writing and signed by an authorized representative of the party against whom enforcement is sought. No waiver of any breach of this Agreement and no course of dealing between the parties shall be construed as a waiver of any subsequent breach of this Agreement. The failure of either party at any time or times to require performance of any provision hereof shall in no manner affect the right at a later time to enforce such provision.

7.8 Force Majeure. Neither party shall be responsible for failure to fulfill any obligations due to causes beyond its control including, but not limited to, strikes, riots, wars, fire, acts of God, and acts in compliance with any applicable law, regulation, or order (whether valid or invalid) of any governmental body, except that such causes shall not extend the due date for, or excuse the timely payment of, any amounts payable by a party hereunder.

7.9 Notice. Any notice, request, instruction or other document or communications to be given hereunder by either party to the other shall be in writing, and delivered via email, personally, overnight courier, express mail, or certified mail – return receipt requested, postage prepaid (such notice to be effective on the date receipt is signed by the receiving party). Notices to Licensee shall be sent to either the address

set forth in the applicable Order or to such other address as Licensee shall designate by written notice to Licensor. Notices to Licensor shall be sent to either the following address or to such other address as Licensor shall designate by written notice to Licensee: PKWARE, INC., Attn: Legal Administrator, 648 N. Plankinton Ave., Suite 220, Milwaukee, WI 53203, legal@pkware.com.

PART 2 - MAINTENANCE AND SUPPORT

Maintenance and Support will be available to Licensee if Licensee is current on all maintenance payments with Licensor and Licensee is running a currently supported version(s) of the Software. Licensor reserves the right to increase the annual maintenance fee applicable to the Software by an amount not to exceed five percent (5%) per year.

8. DEFINITIONS. For purposes of Part 2 of this Agreement:

“Business Hours” means the hours from 8:00 a.m. through 6:00 p.m., Monday through Friday (excluding Licensor’s holidays) in either the United States Eastern Time Zone or the Central European Time Zone, whichever is closest in proximity to the Licensee.

“Error Condition” means any demonstrable, reproducible defect, program error, or other non-conformance of the Software with its Documentation caused solely by errors or defects in the code of the Software.

“Maintenance Term” means, initially, the Maintenance Term identified in the Order. Upon expiration of the initial Maintenance Term, the Maintenance Term shall automatically renew for additional one (1) year periods unless terminated earlier by either party, at its option, by written notice at least sixty (60) days prior to the end of the then-current Maintenance Term. The Maintenance Term shall immediately terminate upon the termination, expiration, or cancellation of this Agreement for any reason.

“New Version” means a complete replacement of the executable code of the Software in machine-readable form, to provide significant new features or functions. A New Version may incorporate one or more enhancements. A New Version involves only such enhancements that change the version number immediately to the left of the decimal point. Changes to the version number are made solely at the discretion of the Licensor.

“New Release” means a partial or complete replacement of the executable code of the Software in machine-readable form, which may provide new features or functions. A New Release may incorporate some or no enhancements. A New Release involves only such alterations that change the release number to the immediate right of the decimal point. Changes to the release number are made solely at the discretion of the Licensor.

“Modification” means a partial or complete replacement of the executable code of the Software in machine-readable form which provides product function or correction that is delivered outside the standard announced “New Version” and “New Release” delivery methods.

“Pre-Release Change” means any enhancement, the development or testing of which is not yet completed, such that it is not yet generally released to Licensor’s customers.

“Nonqualified Product” means any product not listed as compatible with Software in Licensor’s promotional materials.

9. MAINTENANCE TERM

9.1 Licensor agrees to provide maintenance and support for the Latest Versions of the Software pursuant to the terms of this Part 2 during the Maintenance Term, provided the maintenance fee is fully paid and current and Licensee is also in full compliance and current with all of its other obligations under this Agreement. “Latest Versions” means versions of Software used for the fulfillment of new license orders and/or the versions for which Licensor continues to provide technical support. Latest Versions are specified in the Support section of Licensor’s web site.

10. SUPPORT

10.1 Non Error Condition Support. During the Maintenance Term, Licensor shall provide support for non-Error Condition-related questions regarding the Software by e-mail, telephone, telefax or online consultation during Business Hours.

10.2 Error Condition Support. During the Maintenance Term, Licensor shall provide support for reporting and resolving Error Conditions through the standard support line during Business Hours.

10.3 Regardless of the nature of the Error Condition, Licensor may provide a resolution in the form of a Pre-Release Change, a Modification, or such other information, instructions or patches as are sufficient to eliminate or reduce the Error Condition.

10.4 Licensee agrees to promptly notify Licensor in writing following the discovery of any Error Condition. Further, upon discovery of an Error Condition, and at the request of Licensor, Licensee agrees

to submit a listing of output and any other information that Licensor may require in order to reproduce the Error Condition and/or the operating conditions under which the Error Condition occurred or was discovered.

10.5 Licensee agrees to acquire, install and/or implement as directed, certain services, hardware, software, software versions, releases, and the like, as may be deemed necessary by Licensor from time to time for proper operation of the Software. Such items may be at an additional cost for which Licensee is financially responsible.

10.6 Licensee is responsible for procuring, installing, and maintaining all equipment, telephone lines, communications interfaces, and other hardware necessary to operate the Software and to obtain support from Licensor. Licensor shall not be responsible for delays or inability to provide maintenance or support caused by events or circumstances beyond its reasonable control.

10.7 Exceptions. The following matters are not covered by Licensor's maintenance and support obligations hereunder: (a) problems resulting from misuse, improper use, or damage of the Software, to the extent caused by Licensee, provided that Licensee's actions were not directed by Licensor or set forth in the Documentation; (b) problems resulting from any unauthorized modification made to the Software, but only to the extent of such modification; and (c) problems resulting from any Nonqualified Product or from failure of equipment.

If Licensor provides support services for a problem caused by a Nonqualified Product, or from failure of equipment, Licensor will charge on a time and materials basis for such extra service at its then current rates for customer support services. If, in Licensor's opinion, performance of any support hereunder is made more difficult or impaired because of Nonqualified Products, Licensor shall so notify Licensee, and Licensee will immediately remove the Nonqualified Product at its own risk and expense during any efforts to render support hereunder. Licensee shall be solely responsible for the compatibility and functioning of Nonqualified Products with the Software.

10.8 Licensee's Responsibilities. In connection with Licensor's provision of support hereunder, Licensee acknowledges that Licensee has the responsibility to do each of the following with respect to the Software: (a) maintain the designated computer system and associated peripheral equipment in good working order in accordance with the manufacturers' specifications; (b) maintain the designated computer system at a supported revision level prescribed by the Documentation for proper operation of the Software; (c) perform any tests or procedures recommended by Licensor for the purpose of identifying and/or resolving any problems submitted by Licensee for servicing under the terms of this Agreement; (d) maintain a procedure external to the Software for reconstruction of lost or altered files, data, or programs to the extent deemed necessary by Licensee; (e) at all times follow routine operator procedures as specified in the Documentation; and (f) provide all information in American English in a form discernible by Licensor.

11. MAINTENANCE

11.1 Data Format/Content Changes. If the format and/or content of raw data which is processed by the Software changes as a result of vendor changes in the operating system and sub-systems which create the data, Licensor agrees to provide for the continued compatibility of the Software. Licensor will make necessary corrections to the Latest Version(s), at Licensor's sole option. Licensor has no obligation to modify prior versions of the Software (i.e. non-Latest Versions) to run with the latest versions of operating systems, software, or hardware.

11.2 Modifications and New Releases. Provided Licensee is current on all of its obligations pursuant to the Agreement and any Schedules attached thereto, during the Maintenance Term, Licensor shall provide to Licensee at no additional charge all Modifications and New Releases to the Software, the schedule, nature, and scope of which shall be in the Licensor's sole discretion.

11.3 New Versions. Licensee may choose to license New Versions of the Software at the time of their availability under the terms and conditions of the Agreement and its attached Schedules, subject to the applicable pricing for such New Versions as set forth by Licensor in an appropriate supplement or Order executed by the parties. Licensee is under no obligation to license any such New Versions.

SIL Open Font License 1.1

SIL OPEN FONT LICENSE

Version 1.1 - 26 February 2007

PREAMBLE

The goals of the Open Font License (OFL) are to stimulate worldwide development of collaborative font projects, to support the font creation efforts of academic and linguistic communities, and to provide a free and open framework in which fonts may be shared and improved in partnership with others.

The OFL allows the licensed fonts to be used, studied, modified and redistributed freely as long as they are not sold by themselves. The fonts, including any derivative works, can be bundled, embedded, redistributed and/or sold with any software provided that any reserved names are not used by derivative works. The fonts and derivatives, however, cannot be released under any other type of license. The requirement for fonts to remain under this license does not apply to any document created using the fonts or their derivatives.

DEFINITIONS

"Font Software" refers to the set of files released by the Copyright Holder(s) under this license and clearly marked as such. This may include source files, build scripts and documentation.

"Reserved Font Name" refers to any names specified as such after the copyright statement(s).

"Original Version" refers to the collection of Font Software components as distributed by the Copyright Holder(s).

"Modified Version" refers to any derivative made by adding to, deleting, or substituting — in part or in whole — any of the components of the Original Version, by changing formats or by porting the Font Software to a new environment.

"Author" refers to any designer, engineer, programmer, technical writer or other person who contributed to the Font Software.

PERMISSION & CONDITIONS

Permission is hereby granted, free of charge, to any person obtaining a copy of the Font Software, to use, study, copy, merge, embed, modify, redistribute, and sell modified and unmodified copies of the Font Software, subject to the following conditions:

- 1) Neither the Font Software nor any of its individual components, in Original or Modified Versions, may be sold by itself.
- 2) Original or Modified Versions of the Font Software may be bundled, redistributed and/or sold with any software, provided that each copy contains the above copyright notice and this license. These can be included either as stand-alone text files, human-readable headers or in the appropriate machine-readable metadata fields within text or binary files as long as those fields can be easily viewed by the user.
- 3) No Modified Version of the Font Software may use the Reserved Font Name(s) unless explicit written permission is granted by the corresponding Copyright Holder. This restriction only applies to the primary font name as presented to the users.
- 4) The name(s) of the Copyright Holder(s) or the Author(s) of the Font Software shall not be used to promote, endorse or advertise any Modified Version, except to acknowledge the contribution(s) of the Copyright Holder(s) and the Author(s) or with their explicit written permission.
- 5) The Font Software, modified or unmodified, in part or in whole, must be distributed entirely under this license, and must not be distributed under any other license. The requirement for fonts to remain under this license does not apply to any document created using the Font Software.

TERMINATION

This license becomes null and void if any of the above conditions are not met.

DISCLAIMER

THE FONT SOFTWARE IS PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT OF COPYRIGHT, PATENT, TRADEMARK, OR OTHER RIGHT. IN NO EVENT SHALL THE COPYRIGHT HOLDER BE LIABLE FOR ANY CLAIM, DAMAGES OR OTHER LIABILITY, INCLUDING ANY GENERAL, SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, WHETHER IN AN ACTION OF CONTRACT, TORT OR OTHERWISE, ARISING FROM, OUT OF THE USE OR INABILITY TO USE THE FONT SOFTWARE OR FROM OTHER DEALINGS IN THE FONT SOFTWARE.
